SAMUI ISLAND

Seven hundred kilometres south of Bangkok in the Gulf of Thailand, Samui Island is an authentic tropical paradise, Long known to a handful of travellers for its tranquil beauty. The island covers some 280 sq. kilometres of gentle hills and pristine, white-sand beaches that are lined with picturesque coconut plantations and lapped by clear water. A short boat ride away are many uninhabited islands waiting to be explored. Restful, hospitable, and scenically breathtaking, Samui has all the requirements of a perfect retreat from worldly concerns.

HOW TO GET TO SAMUI ISLAND

First you must go to Surat Thani by air (by domestic Thai Airways), train or tour bus and then by road from the respective terminal to board a ferry boat at Donsak for Samui Island.

Located in the middle of beautiful Lamai Beach. Peaceful area. Each room tastefully furnished in Thai style decoration with an aura of comfort Swimming, Fishing and Diving. A friendly court staff to assist you in all your needs.
